Subject: **Heat Wave conditions are likely during next 04 to 05 Days**

PMD Office has informed that the day temperatures are likely to remain unusually high in most parts of the country during next 04 to 05 days.

- Day temperatures in all parts of the country including Punjab province are expected to rise significantly above normal. Occasional dust storm/dust raising winds may also occur in afternoon/evening during the period.
- The heat wave is likely to be followed by the rain spell in upper and central parts of the country.

اگلے 04 سے 05 روز کے دوران ملک میں گرمی کی لہر کی پیش گوئی

مگر موسمیات کے مطابق ملک کے بیشتر علاقوں بشمول پنجاب میں آئندہ 04 سے 05 روز کے دوران دن کے درجہ حرارت میں غیر معمولی اضافے کا امکان ہے۔ جس کے باعث:

مکمل اثرات

- پنجاب میں دن کے درجہ حرارت معمول سے زیادہ رہنے کا امکان۔ اس دوران بعد از دوپہر یا شام کے دوران گرد آلود ہوا میں / جھڑپٹنے کی بھی توقع۔
- گرمی کی لہر کے اس دورانیہ کے بعد بارش کا سلسلہ ملک کے بالائی / وسطی علاقوں میں داخل ہونے کا امکان۔

نوٹ: عوام کو زندگی کے تمام شعبوں میں پانی کے درست استعمال کا مشورہ

Advisory For All Concerned Stakeholders

- Alert health / medical services, paramedics and rescue departments and instruct them to maintain requisite facilities such as heatstroke centers.
- Ensure that public are aware of the situation and avoid direct exposure to sunlight.
- Ensure that general public is made aware to make judicious use of water for drinking and cooling - off.
- Coordinate with concerned departments (Secretary Tourism & Addl. IG Traffic) for issuing necessary alerts to travelers, especially over long distance to take precautionary measures to avoid over pressure in tyres and over - heating of vehicles.
- Ensure that agriculture farmers are to be informed regarding optimum requirement of water for standing crops.
- Secretary Livestock & Dairy Development Department to ensure that dairy farmers / cattle breeders are to be informed of the situation and arrangement for water under the prevalent circumstances is in place.
- In case of any eventuality, routine updates will be shared with PDMA.

Possible Impacts: -

- Dry period and heat wave conditions in the country may cause water stress to the standing crops, vegetable and orchards.
 - General public is advised not to venture in the direct sunlight.
 - Precautions should be taken to avoid heatstroke.
2. **All concerned authorities are advised to remain alert and also take all necessary precautionary measures during the forecasted period to avoid any loss of life/property.**
3. **The concerned Deputy Commissioners are advised to keep operational / functional the District Emergency Operations Centers (DEOCs) round the clock during the above-mentioned period under intimation to PDMA, Punjab.**
